Assumptions Used in Arriving at Fiscal Estimate

This bill requires Commerce to award grants not to exceed \$710,000 to the Wisconsin Workforce Development Association for purchasing and installing a fully integrated video conferencing system to be used by at least 20 job centers across the state for collaborative meetings, career guidance workshops, and other purposes. Commerce must enter into an agreement with the association requiring the association to operate the system for at least five years and to invest any resulting savings in assisting unemployed and underemployed workers.

Commerce will be able to accomplish this without incurring any additional administrative costs.
